He's one of the busiest men in town. While his door may say *Office Hours 2 to 4*, he's actually on call 24 hours a day.

The doctor is a scientist, a diplomat, and a friendly sympathetic human being all in one, no matter how long and hard his schedule.

According to a recent Nationwide survey:

MORE DOCTORS SMOKE CAMELS THAN ANY OTHER CIGARETTE

DOCTORS in every branch of medicine—113,597 in all—were queried in this nationwide study of cigarette preference. Three leading research organizations made the survey. The gist of the query was—What cigarette do you smoke, Doctor?

The brand named most was Camel!

The rich, full flavor and cool mildness of Camel's superb blend of costlier tobaccos seem to have the same appeal to the smoking tastes of doctors as to millions of other smokers. If you are a Camel smoker, this preference among doctors will hardly surprise you. If you're not—well, try Camels now.

Your "T-Zone" Will Tell You...

T for Taste...
T for Throat...
that's your proving ground for any cigarette. See if Camels don't suit your "T-Zone" to a "T."

IS IT POSSIBLE FOR SOMEONE WITH 3 KIDS, A MORTGAGE AND HEFTY ORTHODONTIA BILLS TO DRIVE A CAR HE ACTUALLY LIKES?

Congratulations. Here you are, an adult in contemporary America, with a full complement of domestic responsibilities.

And some years from now (after you've put the kids through college and after you've passed through much of your middle-age crisis) you figure you will be in a position to finally afford a car that will bring back the joys of driving you remember fondly from the days when you were irresponsibly single.

Except there is no reason for you to wait. Just by coincidence, there is a car with exceptional performance and handling that can liberate a person from the tedium of driving a boring car: the Saab 900.

Saabs start at about \$11,000 which should be quite compatible with most commitments to real property, child rearing, and the correction of varying degrees of overbite.

So if you're concerned that you may grow old before you realize your ambition and that inflation and the necessities of family life have put you out of the car you want, take heart. They may well have put you right into a Saab.

Saabs range in price from \$10,750 for the 900 3-door, 5-speed to \$16,910 for the 900 4-door, 5-speed APC Turbo. Manufacturer's suggested retail prices. Not including taxes, license, freight, dealer charges or options.
